Hi Stephanie,

Thanks for bringing this to my attention. I've talked with the LSS team, and they have confirmed that this is the first we've seen of this oversight invoice. We are now processing it for payment; the EPA can expect reimbursement soon.

In the future, if EPA could also email copies of the oversight invoices to me, Karen Traeger, and Mike Pinto, that would be much appreciated. If you need any of the email addresses, just let me know.

Regards,
Matt

Subject: Arkema bill

Hi Matt,

Hope you are well and enjoying your summer so far.

Madi is out of the office this week otherwise she would follow-up directly with Mike Pinto. It looks like the recent bill sent to Arkema (attached) has not yet been paid and is overdue. Are you able to provide an update on the payment?

Thanks,
Stephanie
